

HEDIS is the acronym for **Healthcare Effectiveness Data and Information Set**. HEDIS is intended to inform providers and health plans about the quality of care and services provided to the members we serve. Community Health Group uses HEDIS measures as a key indicator to measure the exceptional care it provides its members.

If you need additional information or training regarding any HEDIS measures, please feel free to contact **Gabriela Rubalcava, HEDIS Manager** at (619) 498-6535 or grubal@chgsd.com. Additional information is available on our secured webpage. If you need help setting up your online account, please contact the Claims Liaison department at (619) 240-8933.
